What motivates you to want to study the career or coach you have chosen?

Firstly, personal, family and community improvement, having an academic degree in which, I can defend myself in the workplace, and what motivates me to study is to strengthen the knowledge and skills for working in the community.

What is the organizational work you do in your community?

The work I do in the community is with the group of young people, where I work the call and the motivation to maintain the youth organization, through the CCR food sovereignty project, I participated in the training, currently I learn what I learned from the project , also support the community in different activities such as. Cleaning campaigns, violence prevention activities and I am part of the parish choir

What is organization for you?

The organization for me is to work together, be sociable, share goals and objectives in common for the benefit of others, the organization is a working method which leads us to get ahead as a community or group.

What does it mean to be a leader in your community or organization?

What it means to be a leader in the community, is to be a person committed to the community, to look for the means for the community to grow, work together and thus be able to get ahead, a leader person is one who seeks the common good for everyone and practice the values.

What do you understand by solidarity?

Solidarity is helping and collaborating with others as much as possible, allowing them to feel support that is necessary or essential for personal, family or community development.

Why are you interested in a scholarship?

I am interested in a scholarship, because I want to continue studying, improve myself in life, be able to have a university degree, work and help the family in the needs, also the community in the different activities that can be collaborated based on the knowledge acquired in The career I want to study.
