Career / Technician who wants to study or is studying: Teachers in Basic Education for first and second cycle.

Race duration: 3 years

Region of CRIPDES to which it belongs: CRIPDES SUR LA LIBERTAD.

What motivates you to want to study the career or coach you have chosen? All my life I liked living together and helping others, my teachers influenced it a lot, and now I want to influence children, influence in a positive way, another reason is to improve situations in the country because it is from small that the children begin to interpret and it is from teaching that I can do it

What is the organizational work you do in your community? I currently work with Youth and participate in a Savings Group with women.

What is organization for you? They are groups of people who have different thoughts but all lead to the same goal and to change or transform a reality that stuns and ties it to look for methods and possible answers to fight against it.

What does it mean to be a leader in your community or organization? He is the one or one who is aware of everything, who works in the same way and has an ability to influence what surrounds them through facts, has an attitude of service and is a person open to any criticism with empathy.

What do you understand by solidarity? Share, help without expecting anything in return, availability to support when needed.

Why are you interested in a scholarship? In order to complete my studies, help my family and help children I find in classrooms.

Who is the scholarship for?

Young people and high school graduates with leadership, social awareness and motivation who aspire to study high school, technicians and first careers

At what levels of study can it be applied?

Baccalaureate, technical studies and first careers.
