What motivates you to want to study the career or coach you have chosen?

Wanting to improve myself in life and help my family, the community, have a degree which allows me to get a job.

What is the organizational work you do in your community?

Support in the community youth organization, where I am part of a youth committee where we carry out activities for the benefit of youth both socially and culturally. I also participate in the different activities that the community programs, such as cleaning campaigns, planting trees, among others. I belong to the community environment group.

What is organization for you?

Actively participate in the community, live with the people, support the community development.

What does it mean to be a leader in your community or organization?

A person who seeks the welfare of the community and solve the needs it presents, and fight for a development in my community.

What do you understand by solidarity?

Help people whether children, women, youth, adults and senior citizens in moral support, listen to their needs or problems to get ahead together.

Why are you interested in a scholarship?

Because I have the desire to improve myself and have a degree to defend myself in the working world, and thus improve the living conditions on a personal, family and community level.
