Location: San Salvador

Career / Technician who wants to study or is studying: Bachelor of Social Work

Duration of the race: 6 years

Region of CRIPDES to which it belongs: UCRES

What motivates you to want to study the career or coach you have chosen?

Well, that allows me to give a better future to my children and also contribute to the development in my community, to develop as an enterprising woman, to show society that although I am a woman with children I can get ahead, I am a very active woman who I come from a family with limited financial resources which limit my higher education process and express that in this country the opportunities for women are very few and the demand is very large, it is for this reason that motivates me to study the career because I It will help other people and opt for decent employment.

What is the organizational work you do in your community?

I am a woman who is part of the women's committee of my community, I am also part of the UCRES regional women's committee, I participate in community assemblies, cleaning campaigns, cultural events.

What is organization for you?

It is the union and coordination of a community forming different committees to work for integral development together with the board of directors or ADESCO.

What does it mean to be a leader in your community or organization?

It is that person who works together with the group to which he belongs, also allows to organize more people, listen, propose, act for the search for development in the community.

What do you understand by solidarity?

It is having love for others, sharing and supporting people in the most difficult moments is giving without waiting, living together, joy.

Why are you interested in a scholarship?

Because I want to develop academically, because women are able to move the family and community forward and it is an opportunity to change a system that exploits us, and I am a woman with limited economic resources.
