**"In the name of God ... stop the repression!" San Romero**

Warmest greetings from Honduras

Dear brothers and sisters in faith and commitment:

In the Spirit and word of our San Romero of all our peoples, we invite you to participate in the celebration of a "Encuentro con el pueblo hondureño" gathering with the Honduran people. We want to reflect on the message of San Romero in the Honduran context of repression, militarization, impoverishment, indiscriminate exploitation of our common and natural goods and the illegal imposition of a fraudulent regime. We are acutely aware that these policies are strongly supported by the United States government, and, in turn, compel thousands of our compatriots to emigrate to the north.

This invitation is to accompany us in our journey to resist and maintain the rebellion of our faith and our hope in the face of dangerous conditions that oppose justice, dignity and peace. San Romero, without a doubt, is with us. We are his people. His words calling upon for the "cessation to repression" resonate with great relevance today in Honduras.

Your participation will deepen our reflection and animate our faithful action as sisters and brothers.

The program includes:

- A Pilgrimage and Testimony with local communities in need of solidarity in the countryside of Honduras.
- A Forum for Theological Reflection following the thought of San Romero.
- An Ecumenical Celebration.
- A Torch-lit Concert.

Dates: March 20<sup>th</sup> to 26<sup>th</sup>, 2019

Place: El Progreso, Yoro, Honduras

The national and international participants will sign a call and commitment: "En nombre de Dios cese la represión / todas a trabajar por La Paz con Justicia en Honduras."

*"In the name of God stop the repression / all to work for La Paz with Justice in Honduras."*

In solidarity and love,

Ismael Moreno (P. Melo)
